L'Olivier is a long time San Francisco dining favorite for lunch and dinner meetings, presentations, corporate events, private banquets, and weddings and rehearsal parties. We are located 1 block away from the Embarcadero Center on Davis Street.

The kitchen offers a menu from French country recipes that are classical, yet light in calories- just ask The California Chef's Association, which has their dinner meetings here. Our luscious desserts include a delectable and very popular soufflé in several flavors. See attached menus for lunch and dinner options.

L'Olivier is the perfect place to impress your friends and colleagues as our mission is to provide you with a first class dining experience. Our Wine list features fine Napa and Sonoma selections, as well as renowned French vintages and a House Wine by the Bottle List, offered special to groups. There is a Full Bar in the Main Room.

Should you have any questions please feel free to contact me or visit [www.lolivier-restaurant.com](http://www.lolivier-restaurant.com) for more information, including photos.
